### **Fixtures 2018 Nillumbik Emus** (not Park & StreetO)

A lot of planning goes into scheduling the Orienteering fixtures each year. Nillumbik Emus plays a very significant part in running events on the OV program. Laurie Niven has also been working hard on behalf of OV, as Fixtures Convenor, to put together a cohesive program for next year.

It will be greatly appreciated if you can put your hand up to organise or course set one of these events next year.
