

Nillumbik Emus Orienteering Club - Membership 2021

Nillumbik Emus is affiliated with the Orienteering Victoria (OV).

We welcome individuals and families and embrace keen competitors AND people who simply enjoy the challenge of improving their fitness and navigational skills.

We organise **foot** and **mountain bike** orienteering events in attractive forest areas.

There is also a strong focus on **Park & Street** orienteering. And, many members are active in **Rogaining**.

We get together at events and keep in touch through a regular club newsletter and social gatherings.

I'm new. How do I join?

Coaching is available for newcomers
